Maiden drilling has kicked off at Battery Minerals' (ASX:BAT) Stavelly-Stawell gold-copper project, where 1300m will test priority gold targets at Coxs Find, Frankfurt, and Cosmopolitan.

Drilling will initially focus on Coxs Find, where the company picked up 430g/t in rockchips.

Maiden drilling is also underway at Arrow Minerals' (ASX:AMD) Simandou North iron project in Guinea. First assays will be 6 weeks, it says.

Software stock Gentrack (ASX:GTK) is upgrading FY23 and FY24 revenue guidance to a range of \$157m-\$160m from previous guidance of ~\$150m.

It reported revenues of \$84.3m for the half ending March 31, up 47.7% on the previous half.

And a Canadian subsidiary of healthtech stock Austco Healthcare (ASX:AHC) secured an AUD \$3.9M deal to supply and install its Tacera platform for the new 192-bed Maple View aged-care facility in Athens, Ontario.
